Health, Safety & Environment Policy

This is our commitment to provide Safe & Healthy working atmosphere at all our Work Locations. Our Fundamental belief is that all the work-related injuries and illness are avoidable. Hence prevention of “Occupational injuries and illness” is our Top Priority.

Our consistent efforts will always focus on “Zero Harm” not only to our employees but also to all the interested parties, those who are associated with our Business Environment.

To achieve the Goal of “Zero Harm “we shall –

- Set objectives and targets in Health, Safety & Environment systems and practices aimed at preventive steps.
- Provide sufficient resources in terms of Finance, Information, and Training & Supervision for the effective implementation.
- Recognize the commitment and co-operation required at all the levels.
- Comply with all the relevant Legislative, Regulatory and Voluntary requirements.
- Hold all the levels of Management accountable for Health, Safety & Environment matters in their area of responsibility.
- Enhance customer satisfaction through creation of safe and healthy work environment.

There is no task that we undertake which is so important that we cannot take time to find a safe way to do it.

The Policy will be revised once in three years or whenever circumstances indicate a review is necessary.
